

The American Academy of Environmental Medicine's annual conference, "Integrative Solutions in the 21st Century" will be held October 23-26, 2014 in New Mexico. If you go to their website, you will see that the issue of electromagnetic sensitivity is prominently featured. Sessions qualify for AMA PRA credit.

"The *AMA PRA Category 1 Credit*™ system has become the CME standard for licensing boards and specialty organizations nationwide and is recognized by all U.S. jurisdictions. Thirty-nine states/territories will accept the AMA PRA certificate or the AMA approved AMA PRA application as proof of having met the CME requirements for licensure, simplifying the medical re-licensure process. For current information on state requirements: [State Medical Licensure Requirements](#)  "

ELECTROMAGNETIC HYPERSENSITIVITY AS AN EMERGING ILLNESS

THE AMERICAN ACADEMY OF ENVIRONMENTAL MEDICINE DESIGNATES THIS EDUCATIONAL ACTIVITY FOR A MAXIMUM OF 7.50 AMA PRA CATEGORY 1 CREDIT(S) TM. PHYSICIANS SHOULD ONLY CLAIM CREDIT COMMENSURATE WITH THE EXTENT OF THEIR PARTICIPATION IN THE ACTIVITY. THIS PROGRAM HAS BEEN DESIGNED FOR PRIMARY CARE PROVIDERS, INCLUDING PHYSICIANS, NURSES AND PHYSICIANS ASSISTANTS WHO MANAGE COMPLEX PATIENTS.

OBJECTIVES

IMPROVE THE OUTCOME OF TREATING PATIENTS WITH EMF SENSITIVITY.

USE NEW CONCEPTS AND TREATMENTS TO HELP BETTER DIAGNOSE AND MANAGE MANY PATIENTS WITH EMF SENSITIVITY.

ELECTROMAGNETIC HYPERSENSITIVITY WORKSHOP

- The American Academy of Environmental Medicine designates this educational activity for a maximum of **7.50** AMA PRA Category 1 Credit(s) TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.
