WIRELESS RADIATION No Place To Hide DAMAGES DNA

NATURE IS AT RISK

5G IS MANDATORY IRRADIATION OF THE PUBLIC WITHOUT PRIOR STUDY AND ASSURANCE OF SAFETY. WIRELESS-RF IS A CLASS 2B CARCINOGEN ACCORDING TO THE WORLD HEALTH ORGANIZATION.

THE PUBLIC HAS NOT BEEN CONSULTED FOR 24/7/365 EXPOSURE TO 5G FROM SMALL CELL TOWER ANTENNAE AND TELEPHONE POLES. WORLDWIDE, DOCTORS DEMAND A MORATORIUM ON 5G, WARNING OF HEALTH EFFECTS.

TURN OFF THE WI-FI AND BLUETOOTH ON YOUR PHONE WHEN OUT IN PUBLIC.

DO NOT HOLD CELLPHONES NEAR YOUR HEAD OR BODY.

DO NOT USE PHONE IN CAR AS THE PULSE IS STRONGER AND MORE INTENSE.

More and more peer-reviewed studies show a connection between microwave radio frequencies (emitted by WiFi, Bluetooth devices, cell phones and Smart Meters) and cancer, Alzheimer's, auto-immune issues, and childhood learning disabilities. However, the U.S. government, under the sway of the telecommunications industry, continues to ignore the evidence and pave the way for yet more cell towers and the rollout of 5G.

5G Radiation Dangers

Thousands of studies link low-level wireless radio frequency radiation exposures to a long list of adverse biological effects, including:

- DNA single and double strand breaks
- oxidative damage
- disruption of cell metabolism
- increased blood brain barrier permeability
- melatonin reduction
- disruption to brain glucose metabolism
- generation of stress proteins

In 2011 the World Health Organization (WHO) classified radio frequency (RF) radiation as a possible 2B carcinogen.

The industry wants wireless everywhere with “small cell” towers every couple hundred feet apart! That means cell towers in our neighborhoods, near schools and parks, where we live, work and play. For more information on 5G see: <http://whatis5g.info>

We should have a right to resist this technology for health reasons but under Section 704 of the 1996 Telecommunications Act, the government says we do not have this right. ***This is unconstitutional and irresponsible!*** If you agree, please see these sites for things you can do to protest and, eventually, ***stop this rollout!***
